

SCHOOL OF BUSINESS

BOOST YOUR BUSINESS SKILLS

A degree, diploma or certificate in business is one of the most versatile credentials you can earn, helping grow your skills in critical thinking, entrepreneurship and project management. Programs in CapU's School of Business offer a thorough, practical education focused on leadership, hands-on skills and experiential learning.

COMPLETE YOUR BBA AT CAPU

In the Bachelor of Business Administration program, you can increase your marketability and adaptability in the workforce by branching out into concentrations, including accounting, financial planning, human resource management, international business & logistics and marketing.

LEARN IN A SUPPORTIVE ENVIRONMENT

As a business student at CapU, you'll benefit from small classes taught by instructors who are active members of the the B.C. business community. You'll also have access to coaching, helpful workshops and programs through the Career Development Centre, which will set you up for success.
